Payments for Loads

From the time you get us the required documents from completed load 2-3 days not including weekends or bank holidays via direct deposit.

If you have a load that requires hand loading - CALL DISPATCH BEFORE TOUCHING FREIGHT please let us know so we can charge customers.

If there are fees associated with loads picking up - CALL DISPATCH FIRST so we can get reimbursement.

Detention time can start as late as 2 hours after you get on site, this can vary depending on customers.

If we get fined or there is a deduction for paid amount this money will come off the driver settlement.

Daily cut off for required documents is 10 am est all loads finished after this time will move to next day's billing.

Sending loads to Billing

We will accept BOLs via Fax, Email or Transflo "Note: a Transflo paper will be attached.

If your BOL is not good enough we will ask you to resend until we have a legible, clear, black and white copy.

Dress Wear when under load

When you are under load you are to dress like you are going to work in a factory, wearing closed toe shoes and a shirt that is appropriate.

Some loads may require PPE if you do not have this, please get them ASAP - this cost is on you.

You will be going into a place of business representing Lunar Express LLC.
